**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive ISP because the large companies serve to the lowest service possible. Mostly, any interaction i've had wit large providers has not met my expectations and I and all americans shouldn't be beholden to monopolies that are basically shitheads to their customers. Plus, we need to support smaller companies to ensure the delivery of media stays impartial and un-monopolized.

Also, I need fast available internet to do my job and to continue to be a good informed citizen. I wish fiber was available at my house.

best,

Christina Gardner
